

Connectivity Options that Fit Your Needs and Budget

FitPlan Go for iPad, Android and Windows 10 offers a range of connectivity options from portable ADS-B units to integrated avionics. With the most connectivity options, FitPlan users have the flexibility to choose what works best for their budget and needs.

New! FitPlan is Now Part of the Garmin® Connex™ System

Wirelessly transfer flight plans from FitPlan Go iOS through the [Garmin Flight Stream 510/210](#) to the following Garmin products:

GTN 650/750
GNS 430W/530W

Display aviation weather, traffic and location information from the following Garmin products on the FitPlan Go iOS app:

GTX 345
GDL 88/84
GDL 50

GDL 52/51
GDL 39/GDL 39 3D/GDL 39 R
